The Berkeley neighborhood, and adjacent Regis neighborhood, are bounded by 38th Avenue, 52nd Avenue, Federal and Sheridan, are anchored by Willis Case golf course and two dramatic parks with lakes provide plenty of open space and greenery. Regis University sits in the northeast corner of the area. Older brick homes, mature trees and an eclectic mix of students, families and singles make this an affordable neighborhood with a hip, urban vibe and a hint of artistic character. Popular restaurants on Federal, Lowell and nearby Tennyson Street cater to diners who hunger for diverse cuisine. Local landmarks include Lakeside Amusement Park. Convenient access to I-70 is perfect for residents who love daytrips to the mountains.
